In calculating the dues payable to the association by a designated REALTOR® member, non-member licensees as defined in (1) and (2) of this paragraph shall not be included in the computation of dues if the designated REALTOR® has paid dues based on said non-member licensees in another association in the state or a state contiguous thereto, provided the designated REALTOR® notifies the association in writing of the identity of the association to which dues have been remitted. In the case of a designated REALTOR® member in a firm, partnership, or corporation whose business activity is substantially all commercial, any assessments for non-member licensees shall be limited to licensees affiliated with the designated REALTOR® (as defined in (1) and (2) of this paragraph) in the office where the designated REALTOR® holds membership, and any other offices of the firm located within the jurisdiction of this association.

A REALTOR® with a direct or indirect ownership interest in an entity engaged exclusively in soliciting and/or referring clients and customers to the REALTOR® for consideration on a substantially exclusive basis shall annually file with the association on a form approved by the association a list of the licensees affiliated with that entity and shall certify that all of the licensees affiliated with the entity are solely engaged in referring clients and customers and are not engaged in listing, selling, leasing, renting, managing, counseling, or appraising real property. The individuals disclosed on such form shall not be deemed to be licensed with the REALTOR® filing the form for purposes of this section and shall not be included in calculating the annual dues of the designated REALTOR®. Designated REALTORS® shall notify the association within three (3) days of any change in status of licensees in a referral firm.

The exemption for any licensee included on the certification form shall automatically be revoked upon the individual being engaged in real estate licensed activities (listing, selling, leasing, renting, managing, counseling, or appraising real property) other than referrals, and dues for the current fiscal year shall be payable.

The National Association shall also credit (\$35) to the account of state associations for each Institute Affiliate member whose office address is located within the territorial jurisdiction of the state association. (a) In the event a sales licensee or licensed or certified appraiser who holds REALTOR or REALTOR-ASSOCIATE membership is dropped for nonpayment of Board dues, and the licensee remains with the designated REALTOR's firm, the due obligation of the "designated" REALTOR (as set forth in Article X, Section 2 (a)) will be increased to reflect the addition of a non-member licensee. Dues shall be calculated from the first day of the current fiscal year and are payable within 30 days of the notice of termination.

Section 4. Nonpayment of Financial Obligations. If dues, fees, fines, or other assessments including amounts owed to the Board or the Board's Multiple Listing Service are not paid within one (1) month after the due date, the nonpaying Member is subject to suspension at the discretion of the Board of Directors. Two (2) months after the due date, membership of the nonpaying Member may be terminated at the discretion of the Board of Directors. Three (3) months after the due date, membership of the nonpaying Member shall automatically terminate unless within that time the amount due is paid. However, no action shall be taken to suspend or expel a Member for nonpayment of disputed amounts until the accuracy of the amount owed has been confirmed by the Board of Directors. A former Member who has had his membership terminated for nonpayment of dues, fees, fines, or other assessment duly levied in accordance with the provisions of these Bylaws or the provisions of other Rules and regulations of the Board or any of its services, departments, divisions or subsidiaries may apply for reinstatement in a manner prescribed for new applicants for membership, after making payment in full of all accounts due as of the date of termination.

NOTE: A Member Board's dues obligation to the National Association is reduced by an amount equal to the amount which the association is assessed for a REALTOR or REALTOR-ASSOCIATE member, times the number of REALTOR Emeriti (as recognized by the National Association), past presidents and past treasurers of the National Association, and recipients of the Distinguished Service Award of the National Association who are REALTOR or REALTOR-ASSOCIATE members of the Association. The dues obligation of such individuals to the local Association should be reduced to reflect the reduction in the Association's dues obligation to the National Association. The Board may, at its option, choose to have no dues requirement for such individuals except as may be required to meet the Board's obligation to the State Association with respect to such individuals. Member Board's should determine whether the dues payable by the association to the State Association are with respect to such individuals. Article XVIII – Participation in HANFRA's Multiple Listing System

Section 1. Authority. The Hamptons North Fork REALTORS® Association shall maintain for the use of its members a multiple listing service which shall be a lawful corporation of the state of New York, all the stock of which shall be owned by the Hamptons North Fork REALTORS® Association.

Section 2. Purpose. A multiple listing service is a means by which authorized participants make blanket unilateral offers of compensation to other participants (acting as subagents, buyer agents, or in other agency or non-agency capacities defined by law); by which cooperation among participants is enhanced; by which information is accumulated and disseminated to enable authorized participants to prepare appraisals, analyses, and other valuations of real property for bona fide clients and customers; by which participants engaging in real estate appraisal contribute to common databases; and is a facility for the orderly correlation and dissemination of listing information so participants may better serve their clients and the public. Entitlement to compensation is determined by the cooperating broker's performance as a procuring cause of the sale (or lease). (Amended 11/04)

Section 3. Governing Documents. The board of directors shall cause any multiple listing service established by it pursuant to this article to conform its Corporate Charter, Constitution, Bylaws, rules, regulations, and policies, practices, and procedures at all times to the *Constitution, Bylaws, rules, regulations, and policies* of the

Section 4. Participation. Any REALTOR® or REALTOR® Associate of this or any other association who is a principal, partner, corporate officer, or branch office manager acting on behalf of a principal, without further qualification, except as otherwise stipulated in these Bylaws, shall be eligible to participate in multiple listing upon agreeing in writing to conform to the rules and regulations thereof and to pay the costs incidental thereto.* However, under no circumstances is any individual or firm, regardless of membership status, entitled to multiple listing service “membership” or “participation” unless they hold a current, valid real estate broker’s license and offer or accept compensation to and from other participants or are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property.** Use of information developed by or published by an association multiple listing service is strictly limited to the activities authorized under a participant’s licensure(s) or certification and unauthorized uses are prohibited. Further, none of the foregoing is intended to convey “participation” or “membership” or any right of access to information developed by or published by an association multiple listing service where access to such information is prohibited by law. (Amended 11/08)

Mere possession of a broker's license is not sufficient to qualify for MLS participation. Rather, the requirement that an individual or firm offers or accepts cooperation and compensation means that the participant actively endeavors during the operation of its real estate business to list real property of the type listed on the MLS and/or to accept offers of cooperation and compensation made by listing brokers or agents in the MLS. “Actively” means on a continual and ongoing basis during the operation of the participant's real estate business. The “actively” requirement is not intended to preclude MLS participation by a participant or potential participant that operates a real estate business on a part-time, seasonal, or similarly time-limited basis or that has its business interrupted by periods of relative inactivity occasioned by market conditions. Similarly, the requirement is not intended to deny MLS participation to a participant or potential participant who has not achieved a minimum number of transactions despite good faith efforts. Nor is it intended to permit an MLS to deny participation based on the level of service provided by the participant or potential participant as long as the level of service satisfies state law. (Adopted 11/08)

The key is that the participant or potential participant actively endeavors to make or accept offers of cooperation and compensation with respect to properties of the type that are listed on the MLS in which participation is sought. This requirement does not permit an MLS to deny participation to a participant or potential participant that operates a “Virtual Office Website” (VOW) (including a VOW that the participant uses to refer customers to other participants) if the participant or potential participant actively endeavors to make or accept offers of cooperation and compensation. An MLS may evaluate whether a participant or potential participant actively endeavors during the operation of its real estate business to offer or accept cooperation and compensation only if the MLS has a reasonable basis to believe that the participant or potential participant is in fact not doing so. The membership requirement shall be applied in a nondiscriminatory manner to all participants and potential participants. (Adopted 11/08)

Any applicant for MLS participation and any license (including licensed or certified appraisers) affiliated with an MLS participant who has access to and use of MLS-generated information shall complete an orientation program of no more than eight (8) classroom hours devoted to the MLS rules and regulations and computer training related to MLS information entry and retrieval within thirty (30) days after access has been provided.

Participants and subscribers may be required, at the discretion of the MLS, to complete additional training of not more than four (4) classroom hours in any twelve (12) month period when deemed necessary by the MLS to familiarize participants and subscribers with system changes or enhancement and/or changes to MLS rules or policies. Participants and subscribers must be given the opportunity to complete any mandated additional training remotely. (Amended 11/09)

(a) A nonmember applicant for MLS participation who is a principal, partner, corporate officer, or branch office manager acting on behalf of a principal, shall supply evidence satisfactory to the membership committee that he/she has no record of recent or pending bankruptcy; has no record of official sanctions involving unprofessional conduct; agrees to complete a course of instruction (if any) covering the MLS rules and regulations and computer training related to MLS information entry and retrieval, and shall pass such reasonable and non-discriminatory written examination thereon as may be required by the MLS; and shall agree that if elected as a participant, he/she will abide by such rules and regulations and pay the MLS fees and dues, including the nonmember differential (if any), as from time to time established. Under no circumstances is any individual or firm entitled to MLS participation or membership unless they hold a current, valid real estate broker's license and offer or accept compensation to and from other participants, or are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property. Use of information developed by or published by an association multiple listing service is strictly limited to the activities authorized under a participant's licensure(s) or certification and unauthorized uses are prohibited. Further, none of the foregoing is intended to convey participation or membership or any right of access to information developed by or published by an association multiple listing service where access to such information is prohibited by law. (Amended 11/08)

Mere possession of a broker's license is not sufficient to qualify for MLS participation. Rather, the requirement that an individual or firm offers or accepts cooperation and compensation means that the participant actively endeavors during the operation of its real estate business to list real property of the type listed on the MLS and/or to accept offers of cooperation and compensation made by listing brokers or agents in the MLS. "Actively" means on a continual and ongoing basis during the operation of the participant's real estate business. The "actively" requirement is not intended to preclude MLS participation by a participant or potential participant that operates a real estate business on a part-time, seasonal, or similarly time-limited basis or that has its business interrupted by periods of relative inactivity occasioned by market conditions. Similarly, the requirement is not intended to deny MLS participation to a participant or potential participant who has not achieved a minimum number of transactions despite good faith efforts. Nor is it intended to permit an MLS to deny participation based on the level of service provided by the participant or potential participant as long as the level of service satisfies state law. (Adopted 11/08)

The key is that the participant or potential participant actively endeavors to make or accept offers of cooperation and compensation with respect to properties of the type that are listed on the MLS in which participation is sought. This requirement does not permit an MLS to deny participation to a participant or potential participant that operates a "Virtual Office Website" (VOW) (including a VOW that the participant uses to refer customers to other participants) if the participant or potential participant actively endeavors to make or accept offers of cooperation and compensation. An MLS may evaluate whether a participant or potential participant actively endeavors during the

operation of its real estate business to offer or accept cooperation and compensation only if the MLS has a reasonable basis to believe that the participant or potential participant is in fact not doing so. The membership requirement shall be applied in a nondiscriminatory manner to all participants and potential participants. (Adopted 11/08)

NOTE 1: The requirements of (1) no record of recent or pending bankruptcy; (2) no record of official sanctions involving unprofessional conduct; and (3) completion of a course of instruction on the MLS rules and regulations and computer training related to MLS information entry and retrieval may be deleted from this section at the option of each association. In states where law requires non-association members be admitted to the MLS of an association of REALTORS®, any limitations or restrictions imposed on participation or membership shall be no more stringent than permissible under the National Association's *Membership Qualification Criteria*. However, in states where non-association member access to the MLS is not a requirement of state law, associations may, at their discretion, establish additional qualifications for non-association member participation and membership in the MLS. **NOTE 2:** An association may also choose to have the membership committee consider the following when determining a nonmember applicant's qualifications for MLS participation or membership:

1. All final findings of Code of Ethics violations and violations of other membership duties in this or any other REALTOR® association within the past three (3) years
2. Pending ethics complaints (or hearings)
3. Unsatisfied discipline pending
4. Pending arbitration requests (or hearings)
5. Unpaid arbitration awards or unpaid financial obligations to this or any other REALTOR® association or REALTOR® association MLS (Amended 11/2009)

Section 5. Subscribers. Subscribers (or users) of the MLS include non-principal brokers, sales associates, and licensed and certified appraisers affiliated with participants. Subscribers also include affiliated unlicensed administrative and clerical staff, personal assistants, and individuals seeking licensure or certification as real estate appraisers who are under the direct supervision of an MLS participant or the participant's licensed designee.
